

"The challenge of social justice is to evoke a sense of community that we need to make our nation a better place, just as we make it a safer place."

Marian Wright Edelman

"BUILDING SAFER COMMUNITIES"

Sponsored by the Town of Plymouth No Place for Hate Committee in association with Parents and Friends of Lesbians and Gays, PFLAG.

Tuesday, May 14, 2019, 7 PM to 9 PM

Plymouth Public Library

132 South Street, Plymouth, MA

Greater Boston PFLAG will offer a community presentation about LGBTQ+ issues and identities. We will discuss why LGBTQ issues need to be addressed in public spaces, the language around gender and sexuality, and how to make our spaces safer. There will be a Q and A, as well.

PFLAG is the United States' first and largest organization uniting families and allies with people who are [lesbian](#), [gay](#), [bisexual](#), [transgender](#), or [queer \(LGBTQ\)](#). PFLAG has nearly 400 chapters across the United States, with more than 200,000 members and supporters.

This program is being offered in response to the same program that was given at Plymouth South Middle School in January, especially for the parents who expressed interest in knowing about its content. NPFH is proud to sponsor this opportunity for them and the general public.
